Town of Cutler Bay July 15, 2016
Movie Night Featuring “The Good Dinosaur”

CUTLER BAY, FL July 26, 2016 – On Friday, July 15, 2016 the Town hosted a fun, family-friendly movie night featuring the charming movie “The Good Dinosaur”. The second movie night of the year was held at HealthSouth Rehabilitation Hospital Miami. Residents came out with their blankets and lawn chairs to enjoy the movie, despite the threat of inclement weather.

In addition to the heartwarming movie, residents enjoyed free pizza; soft drinks, water, popcorn, snow cones, and cotton

candy. Judging by the smiles on all the children’s faces and the positive feedback from the adults it was obvious that everyone who attended had an enjoyable evening.

Prior to the commencement of the feature presentation “The Good Dinosaur” Council Member Sue Ellen Loyzelle gave a special thanks to HealthSouth Rehabilitation Hospital for graciously sponsoring the second movie night. In addition to the special thanks offered to HealthSouth, families also enjoyed public service videos about the environmental impact of Stormwater Run-Off and a Distracted Driving Awareness video which was edited by students from Cutler Bay Senior High

Bases on all the positive feedback, the “The Good Dinosaur” movie night was quite the success. We look forward to hosting more movie nights so the community can come together and enjoy family friendly activities throughout the year.
